

SPRING 2021

Borough of Lindenwold
15 N. White Horse Pike Lindenwold, New Jersey 08021

From the Desk of Mayor Richard E. Roach, Jr.

Greetings Lindenwold Family,

It's been a long Winter, but Spring is in the air. Let us all take some time this Spring season to recommit to enjoying the outdoors while continuing to stay vigilant during this pandemic.

Since this COVID 19 pandemic has started, we have had over 1,800 cases and 22 deaths. However, in the last month, our cases have dropped. This is great news! With State guidance and small steps, we will resume sporting activities as well as re-opening our public buildings in the same fashion. By no means is this pandemic over, but it has been one year, and it is time to make small steps towards some normalcy.

On a different note, the Borough Council and I made a commitment to everyone that we would do something to help the residents of Arborwood and to revitalize that corridor of town. We are proud to say that the Redeveloper has finished purchasing all of the units and has started renovating with new siding, lighting, security cameras, landscaping, roofs, sidewalks, and more. This redevelopment project was a long time coming, and we are optimistic that it will bring an improved quality of life and revitalization.

I would be remiss if I did not thank all of the borough employees for their hard work, dedication, and perseverance during this pandemic. They have worked under some exceptionally unique and difficult times to perform their job duties and I want all of the borough employees to know that their efforts have not gone unnoticed. Thank you all!!

Please be sure to check our website frequently for updates and all the happenings in town. Remember to stay vigilant by washing your hands, wearing masks, social distancing, and getting your vaccine.

Wishing you all a Safe, Healthy, and Happy Spring!

Mayor Richard E. Roach, Jr.

DOG & CAT LICENSES

The State of New Jersey mandates all dogs and cats must have current rabies vaccinations pursuant to Statute NJSA 4:19-15.2. Every pet owner must license their pet yearly in January. **Pets that are spayed/neutered are \$15.00 or non-spayed/neutered are \$20. A late fee of \$25 will be applied after March 31.** For your convenience, the application is available on the Borough website.

Pursuant to NJSA 4:19-15.1, the rabies vaccination certificate must be valid thru October 31 of the current

year. The Department of Health states that administering this vaccine before the expired date does not adversely affect the animals. Guide to Prevention and Cruelty laws 4:22-26 are available at the Clerk's Office.

Lindenwold Police Chaplain Program

The Lindenwold Police Department is proud to announce the creation of the Lindenwold Police Chaplain Program. The Police Chaplain Program is a partnership between the Police Department and local Clergy from various Faith Based Organizations. The goal of the program is to have Police and Clergy working together during times of crisis or incidents, that a more comprehensive response will be given to those in need. Chaplains provide a number of services for the community and law enforcement.

The Police Chaplain is a volunteer position, however all of the chaplains must go through training that was provided by the Police Chaplain Program. The chaplains received two days of training which covered topics such as Elements of Law Enforcement, Domestic Violence, Unity in the Midst of Diversity and Ethics and Confidentiality to name a few.

Currently the Lindenwold Police Department has seven certified chaplains from four local churches. Our current roster of chaplains includes Rev. Rene Canales and Junior Flores from Our Lady of Guadalupe Church, Bishop Anthony Harley and Pastor Jacquelin Dixon from Lighthouse Deliverance Church, Pastor Ronald Burrows Sr. from Garden Lake Bible Church and Pastor Jose Torres and Hezekiah Bard from Commitment Community Church. If you have any questions about the program please contact Lt. Robert Helveston at Rhelevston@lindenwoldpd.com

The Lindenwold Police Department is proud to announce the addition of five new officers who recently completed their basic training at the Camden County College Police Academy. The officers are: Ptlm. Dominic Augello, Ptl. Devon Augello, Ptlm. Daniel DiClementi, Ptlm. Thomas Randle and Ptlm. Robert Goody. These officers are excited to serve our community and have begun their field training.

A Message from Chief Michael McCarthy, Jr. regarding Legalization of Cannabis

Recently the Governor signed into a package of three laws that changed the legal status of marijuana. The new created a new two-tier framework that created two classes of marijuana. The laws created regulated cannabis, which is marijuana that is bought, sold and used under certain conditions regulated by the State of NJ regulatory commission, and marijuana, which is all forms of marijuana that are not regulated cannabis or medical marijuana. Regulated Cannabis is by law now permitted to be used recreationally in NJ and marijuana is still considered a Controlled Dangerous Substance, and therefore illegal, but has essentially been decriminalized.

As a result of the legalization of recreational cannabis and the decriminalization of marijuana, the new laws forbid officers from using the odor of marijuana by itself as reasonable suspicion to initiate a stop or search of a person or their vehicle to determine a violation of law. This new prohibition is important to note because we anticipate that once the State authorizes the regulated sale of cannabis later this year, we will begin to see an increase in the public consumption and use of cannabis. As this occurs we expect that we will experience an increase of calls to investigate drug use from residents who alarmed at the public use of what was previously considered an illegal narcotic. Please be advised that our response to these calls will be limited due to the prohibitions contained in the new laws recently enacted.

Lastly, the new laws also created special rules for interactions with juveniles and the illegal use of marijuana and alcohol. Since the inception of the new laws, police officers having contact with a juvenile child (21 and under), when they are in possession of alcohol or marijuana, are no longer allowed to contact and/or advise parents/guardians of the juveniles first offense. This means that if the police contact your 13-year-old son or daughter with a can of beer or smoking marijuana, the police are forbidden from notifying you. The police can confiscate what is in plain sight, but will not be permitted to check any bags the juvenile may be carrying. Officers are only permitted to notify parents/guardians for after a second and subsequent offense. We in the Law Enforcement profession are particularly concerned with this aspect of the law and strongly believe that is a detriment to the goals of juvenile justice and the health and well-being of our children.

I can assure you that the members of the Lindenwold Police Department will continue to strive to serve our community and will always look out for the best interest of the children. We will continue to perform our Community Caretaking Function and return any juvenile that we contact that may be impaired to their parents/guardians to ensure they return home safe.

Spring "Clean-Up" Safety Tips

Spring is now upon us and our thoughts turn to cleaning up from the long winter, making repairs around the home and enjoying the outdoors. While clearing out the unwanted items it is a good time to check your home for unsafe conditions. Here are a few safety tips to help you perform your annual spring cleaning, and to ensure that your family has a safe spring.

Outside and Around the Yard:

- Make sure your address numbers are visible from the street
- Clean up yard debris. Cut back dead limbs and grass.
- Maintain a clear fire zone of 10' around structure. Clean up leaves and debris and consider using stone or non-combustible mulches.
- Check outdoor electrical outlets and other electrical appliances.
- Get your grill cleaned and serviced. Check all propane tanks and lines for leaks and damage.

In the Garage or Shed:

- Clean and properly store paints, pool and yard chemicals.
- Check fuel containers for leaks and make sure they are properly stored.
- Have all power equipment cleaned, serviced and ready for use

One of the most important fire safety devices for the home is a smoke alarm. When working smoke alarms are present, your chances of surviving a home fire double. It is estimated that a third of the smoke alarms are not working, often due to the failure to replace a worn out battery. Smoke alarms should be tested monthly and batteries replaced annually. All smoke alarms should be replaced when they are 10 years old.

LINDENWOLD CONSTRUCTION OFFICE

1. **Permits and/or Zoning Approval** – required but not limited to new homes, additions, above/in ground swimming pools, hot tubs, garage or basement conversions, HVAC, electrical service and/or upgrades, water/sewer connections, pole barns, car ports, sheds, decks, fences, sidewalks, walkways, patio pads, demolition and change of use. If you are not sure if a permit is required, please call 856-783-2121 Ext. 225.
2. **Please note that the “New Jersey Contractors’ Registration Act”** requires that all “Home Improvement Contractors” be registered with the “NJ Department of Consumer Affairs”. Make sure any contractor you hire is registered, licensed and insured. **Permits cannot** be issued to a “Home Improvement Contractor” who is not registered with the state of New Jersey.
3. **Contractors Responsibility for Material Disposal** – If you are having a contractor do any work in your home/property, please remind them that it is their responsibility to remove all debris before leaving the job. This is necessary as our Borough does not become a dumping site for all contractors.
4. **Street Opening Permit** – Permit includes but not limited to such items as installing and/or replacing curbs and driveway aprons. Contact 856-783-2121 Ext. 223

The Covid-19 Impact on our Sewer System

{Lindenwold Sewer Department}

This year has been especially challenging for our Sewer personnel, shortly after the toilet paper shortage we saw an influx of "Flushable" and disinfectant wipes going in to the sewer system. The result of this has been very frequent sewer back-ups, sewer main stoppages, and pump station failures. Although these items say "Flushable" on the package they are terrible for your sewer and the environment. Please refrain from flushing these items, and dispose of them properly in a trash can.

Below are questions and answers that may clarify some concerns residents have about the town's bulk item collection service and enforcement program.

FREQUENTLY ASKED QUESTIONS

Q: I thought BULK meant a lot of trash, why can't I put out multiple items?

A. According to town ordinance § 276-10 there is a limit of one large item per week per residence.

Q: When should I place my large item curbside for collection?

A. Items should be placed curbside no earlier than 4pm the evening before and no later than 6:30am the day of collection. If items are placed curbside prior to 4pm the night before pickup you may be subject to fines by Code Enforcement.

Q: I am moving. How can I dispose of several unwanted items?

A. Any items that will not fit in your regular trash bin or are not recyclable can be taken to the County Landfill (*Pennsauken Sanitary Landfill – 9600 River Road, Pennsauken, NJ*) or you have the option to hire a private hauler (ie: Bagster or Dumpster). The Public Works does not offer this service.

Q: What should I do if I am on the schedule but miss the collection day?

A. If you miss the collection you must notify the Public Works. As a one-time courtesy, you can be added to the following week's schedule. Items placed curbside after a collection has taken place need to be removed from the curb and stored back on your property until the next scheduled collection.

Q: I have extra trash bags that will not fit in my bin. How can I dispose of them?

A. Every residence has been issued a 96 gallon trash bin. If you accumulate more trash you have the option of purchasing an additional bin from the borough hall or simply placing the additional trash in your bin for the following week's collection.

Q: I am cleaning out my garage/attic/shed/basement and I have multiple items. What can I do?

A. Any items that will not fit in your regular trash bin or are not recyclable can be taken to the County Landfill (*Pennsauken Sanitary Landfill – 9600 River Road, Pennsauken, NJ*) or you have the option to hire a private hauler (ie: Bagster or Dumpster). The Public Works does not offer this service.

Q: If people are dumping trash in front of my property, what can I do?

A. If someone is "dumping" in front of your property, you are to report this to the Police and get a police report. Provide any information such as vehicle or identification information if possible. Code Enforcement will take this into account when they are investigating problem areas.

* THE  PHONE APP MAY BE UTILIZED TO FIND INFORMATION REGARDING OUR COLLECTIONS.

TAX COLLECTOR

The Tax Collector's office processes the billing and collection of all property taxes and Borough sewer charges.

- The office acts as the collecting agent for several governmental bodies, including the Public School District, Fire District and Camden County. The breakdown of these taxes is reflected on the tax bill.
- **Property tax bills are mailed once a year (July) and include four payment stubs.**
The taxes are due quarterly: August 1, November 1, February 1 and May 1.
 We do offer a 10 day grace period. If the 10th day falls on a weekend/holiday, the grace period extends to the next business day.
- **Please be advised that payments must be received in the tax office on or before the last day of the grace period – postmarks are not permitted.**
Borough sewer bills are mailed once a year (May) and include four payment stubs.
The sewer charges are due quarterly on the first business day of the following months: July, October, January and April.
- Payments can be made by cash or check in an envelope marked "Tax Office" and placed in the lock box outside of Borough Hall, or by mailing a check to Borough Tax Collector, 15 N White Horse Pike Lindenwold, NJ 08021. Payments can also be made by credit card, debit card or electronic check via the Borough website: www.lindenwoldnj.gov
 Please be advised that the processing company will assess a convenience fee. No fees will be assessed by the Borough.

TAX ASSESSOR

Lindenwold's Department of Assessment Services determines the market value of all real estate within the Borough for assessing purposes. The Assessor's Office will review all recorded deed transfers, update property owner mailing address changes, and assist with the Petition of Appeal process. The Assessor's Office also provides applications for and answers questions regarding the following Property Tax Deduction and Exemption programs:

- Income-qualifying homeowners who are 65 years and older, are a surviving spouse of a 65 years and older Borough homeowner, or are homeowners that are physician certified disabled, may receive a yearly \$250 deduction on their property taxes.
- Qualifying Veterans and Widows of Veterans may receive a \$250 deduction on their property taxes.
- Permanently disabled Veterans may be entitled to full exemption from property taxes.

The Assessor's Office also administers the Five-Year Residential Abatement Program. Certain qualifying improvements completed through a valid permit (i.e. additions, decks, large sheds, extra bathrooms, finished basements, etc.) which would add value to a home 20 years of age or older, may be eligible for a Property Tax Abatement. Upon approval, the assessed value which is added may be abated for 5 years.

PLEASE NOTE NEW QUALIFYING VETERANS' SERVICE:

Public Law 2019, Chapter 413 became operative when New Jersey voters approved a Constitutional Amendment, effective December 4, 2020, to eliminate the wartime service requirement for both the \$250 Veteran Property Tax Deduction and the Disabled Veteran Property Tax Exemption.

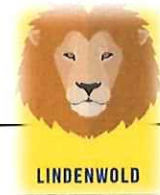

LINDENWOLD DEPARTMENT OF CODE ENFORCEMENT

SPRING IS UPON US, TIME TO GET OUTSIDE AND CLEAN UP

The Code Enforcement Office would like to bring to your attention some of the top violations and ask that you take the time to **clean** up your property to avoid a violation letter or summons for noncompliance:

1. **High Grass and Weeds** – Overgrown grass and weeds, overgrown and/or dead shrubs, dead and/or dying trees that may cause a safety hazard to the public. The grass along the curb and sidewalks are the responsibility of the property owner to keep maintained.
2. **Unfiltered Pools and Ponds** – Pools and ponds must be actively filtered when filled with water to prevent the spread of mosquitoes.
REMINDER: State Regulations requires any pool over 24" deep must apply for a permit as well as maintaining proper fencing requirements. This includes inflatable pools.

13. **Solicitors** – Must have a permit, call 856-783-2121 ext. 223
14. **Curbs, Sidewalks and Driveway Aprons** - Please repair and/or replace if damaged. Call 856-783-2121 ext. 223 for permit.
15. **Dumpsters and Storage Containers – #220-14** Permit is required for temporary street placement in the event that off-street parking is physically impossible. Call 856-783-2121 ext. 223
16. **Littering #229-9B**– No person shall deposit upon the surface of any public or private property or upon any street, lane or alley any rubbish or matter likely to decompose or be blown about by the wind or use any such substances to fill in or grade the surface level of any ground in the Borough.
17. **Dumping #276-25**– It shall be unlawful for anyone to discard or dump along any street or road, on or off any right-of-way, any household or commercial solid waste, rubbish, refuse, junk, vehicle or vehicle parts, rubber tires, appliances, furniture or private property.

The Code Enforcement Office would like to thank all of the residents who may have received a violation or complaint for their cooperation in promptly correcting the matter. We appreciate your efforts in helping to keep Lindenwold clean. To report a violation or to file a complaint, please contact the Code Enforcement Office at 856-783-2121 Ext. 248.

LINDENWOLD BOARD OF EDUCATION

As we reach the milestone of a year living with COVID, in which our world was turned upside down, we want to take a moment to thank the Lindenwold Community as well as the Lindenwold School District Staff for their perseverance and support. There is no one that is untouched by this past year and we sincerely appreciate the team effort that it took to keep our students engaged and learning.

We would also like to take this opportunity to welcome our new Superintendent, Dr. Kristin O'Neil. Dr. O'Neil is excited to be here and looks forward to meeting everyone and leading our District forward. We are truly fortunate to have her here with us as we begin our plans for our students to return to school. We miss our students and are eager to have them back in school very soon. The anticipated date for our hybrid opening is on Monday April 12th. Please visit our website at www.lindenwold.k12.nj.us for Return to School Plans and building specific information.
